

Teachers Day Celebrations

A number of activities were organised by the MIER group of institutions to commemorate the teachers day. Programmes were organized at its various campuses in which the students and staff from the school, the college of education and the college of engineering took part. Present in various functions were Director Dr. Renu Gupta, Joint Directors Dr. Adit Gupta and Mr. Ankur Gupta and Principal Mrs. Rupa Gupta.

Dr Arun Gupta, Chairman MIER group of Institutions in his address called upon the teachers to take up the challenge of social reconstruction and moral upliftment of the student community more vigorously keeping in view the intangible losses suffered by them in the recent past. He urged upon them to contribute to the development of emancipated human capital capable of finer discrimination and internalization of the right and wrong. He also exhorted them to have introspection and present an adequate role model of academic, professional and human excellence before the students. Dr. Gupta stressed the need for making up for the educational losses by devising innovative methods and carrying out extended educational activities through extra time devotions.

All the faculty members took a pledge on the teachers' day to rededicate themselves to the cause of education. They will look after the multifaceted development, welfare and studies of students and would remain loyal and faithful to the institution as well as the nation".

Students of the different wings spoke on the importance and relevance of celebrating Teachers Day in present conditions. They presented group songs and presented Cards and bouquets to their teachers. Project work done by the students during summer vacation was also displayed which was greatly appreciated by the audience.
